

# FLAG Abroad in Germany

Immerse yourself in the charm of picturesque villages, marvel at iconic landmarks, and experience rich cultural traditions.

## 2025-2026 GERMANY PROGRAM

### EXCHANGE DETAILS

From charming villages to vibrant cities, Germany captivates with its rich cultural heritage, historical importance, and cutting-edge technology. Mastering German is invaluable, whether you're aiming to read Nietzsche, prepare for a career in international business, or explore Europe.

After arriving in Germany, students will take part in a short orientation before being sent to their host families.

### ABOUT FLAG

Since 1989, Foreign Links Around the Globe (FLAG) has been a leader in student exchange programs. Designated by the U.S. State Department as an official sponsor, FLAG facilitates the exchange of students from over 25 countries who come to the U.S. to live and study.

Additionally, we provide American students with opportunities to study in Europe and Asia. At FLAG, we focus on individuals, valuing names and faces over numbers.

This program is especially designed for high school students between the ages of 14 and 17 years old with a strong academic record and basic German communication skills. Students with a United States passport will not be required to obtain a German visa before traveling. Instead, students will receive assistance with applying for a residency permit (Aufenthaltstitel) after they arrive in Germany. The program does not include airfare and other related costs.
