

# FLAG Abroad in Japan

Experience a vibrant culture, delectable cuisine, bustling festivals, and a deep history that captivates the soul.

## SUMMER JAPAN PROGRAM

### EXCHANGE DETAILS

Many Americans are passionate about Japanese media, products, food, and culture. If you're a fan of anime, manga, sushi, or transforming toys, you might be among them.

During this short-term summer program in Japan, exchange students will stay with a Japanese host family, attend a local school, visit key cultural sites, and experience Japanese culture firsthand. There is no foreign language requirement for this trip.

### ABOUT FLAG

Since 1989, Foreign Links Around the Globe (FLAG) has been a leader in student exchange programs. Designated by the U.S. State Department as an official sponsor, FLAG facilitates the exchange of students from over 25 countries who come to the U.S. to live and study.

Additionally, we provide American students with opportunities to study in Europe and Asia. At FLAG, we focus on individuals, valuing names and faces over numbers.
