

# FLAG Abroad in Spain

Experience the Culture. Live the Rhythm.

## 2026 SUMMER SPAIN PROGRAM

### EXCHANGE DETAILS

Dive into Spanish life using the coast as your classroom to boost your global perspective and language comfort.

The journey begins and ends in Madrid, exploring the energy of Spain's historic capital. In between, you will immerse yourself in the coastal town of Los Alcázares for one week while living in shared accommodations and participating in daily activities.

### ABOUT FLAG

Since 1989, Foreign Links Around the Globe (FLAG) has been a leader in student exchange programs. Designated by the U.S. State Department as an official sponsor, FLAG facilitates the exchange of students from over 25 countries who come to the U.S. to live and study.

Additionally, we provide American students with opportunities to study in Europe and Asia. At FLAG, we focus on individuals, valuing names and faces over numbers.

### SUMMER PROGRAM

June 12, 2026 - June 23, 2026

Application Deadline: February 20, 2026

This program is designed for students ages 14–17, though recent graduates are considered. There is no formal language requirement; while basic Spanish is helpful, we prioritize a willingness to try and practice speaking during group activities.

A valid U.S. passport is required. Students must also obtain an online ETIAS travel authorization before departure. Fees cover most meals, but exclude airfare, optional excursions, and personal spending money.
